

EXPERIENCE

Planner | Infrastructure Ontario

Nov 2020 - Sept 2022

- Delivered expert land use planning and urban design analysis for provincially significant projects such as affordable housing and the redevelopment of Ontario Place.
- Conducted development feasibility assessments, designed conceptual models, illustrative figures, diagrams, and maps in support of the transaction of provincial real estate.
- Developed and maintained relationships between Ministries and stakeholders in the interest of the province.
- Prepared scopes of work, led, and managed externally procured work.

Planner | City of Toronto

Nov 2019 - Nov 2020

- Simultaneously managed over 15 complex development applications and teams of up to 20 people on the review of tall buildings, mid-rise buildings and range of uses.
- Acted as a liaison between Councillors, stakeholders, internal agencies, consultants, and the general public.
- Presented professional analysis and recommendations to Committees, City Council and Design Review Panels.
- Prepared and award proposal for the peer review of technical studies on behalf of City Planning.

Assistant Planner | City of Toronto

Jan 2019 - Nov 2019

- Evaluated over 150 applications for Minor Variances and Consents for the Committee of Adjustment.
- Managed and coordinated applications for Part Lot Control and Draft Plan of Condominium from inception to registration.
- Provided pre-application consultation advice on potential applications on the appropriateness of development proposals.
- Successfully defended my professional recommendations at the Toronto Local Appeal Body (TLAB).

Planner | MHBC Planning

May 2017 - Dec 2018

- Prepared due diligence reviews, highest and best use studies, Minor Variance applications, Planning Justification Reports, Urban Design Briefs, and Request for Qualifications.
- Tendered, managed and coordinated consultant teams on behalf of clients.
- Facilitated the submission of development applications and responses to conditions for municipal approval.

EDUCATION

Bachelor of Environmental Studies | University of Waterloo

Honours Co-operative Planning | Sept 2012 - Apr 2017
