in East Gwillimbury

EDUCATION

High School Diploma 1979

Woodbridge High School

Completed Mastering Project Management

On Line Villanova University

**STEPPED UP TO THE PLATE TO MEET CHALLENGES
HEAD ON TO SUCCEED WITH A TEAM EFFORT**

I'm hoping the old saying is wrong, you can teach an old dog new tricks, after 40 plus years in the low rise construction industry I'm hoping to find someone to take the responsibility and the stress and use my experience to help the company, hopefully well past my retirement age, I have far too much energy to sit at home and count leaves on the trees.

Thank you for reviewing my resume, please don't hesitate to contact me should you have any concerns, I can supply references upon request, I hope to hear from you in the near future.

Thanks

Emilio
