OBJECTIVES

I am offering my services for employment in the CFO position.

THINGS I AM GREAT AT AND WOULD LOVE TO HANDLE FOR YOUR ORGANIZATION:

Financial Analysis

Analyze financial processes for effective and accurate financial reporting and accounting.

Skills

- Provide technical accounting support to the external financial reporting function and extensive income tax knowledge both personal and corporate
- Support major transactions by identifying and addressing financial / accounting issues and opportunities
- Partner with Strategic Business Units (SBUs) – assist with mergers and acquisitions, real estate sales and leases, joint venture structuring and corporate debt and other securities issues
- Analyze the earnings per share impacts of potential transactions and assist in determining the appropriate accounting treatment under generally accepted accounting principles ASPE and IFRS
- Partner with SBUs and other functional areas to determine and recommend accounting policies and ensure appropriate recording of transactions

Computer Skills

- Caseware, Simply Accounting
- Quickbooks, ERP
- MS Word
- Newstar, Jonas
- Taxprep
- Profile
- Excel, Power Point

Implement Systems

I can predict the things that can go wrong and correct them before they do. As a Finance executive I have extensive experience in all facets of accounting, auditing, personal and corporate income tax return preparation and tax planning scenarios.

Hiring me on board means the founders can delegate all responsibilities related to the overall accounting function to someone who is experienced in the domain.

WHAT ARE SOME KEY ADVANTAGES FOR ME AS YOUR FINANCE TEAM MEMBER

Experience

You get someone who has the vision and foresight to help you navigate not just that which lies immediately ahead, but also that which will eventually be inevitable.

Moreover, since I have experience in handling multiple companies, I can provide a diversity of experience borne out of tackling a wide variety of challenges across different domains.

.

Focus

I will come to fulfill your companies immediate Finance needs.
