PROFESSIONAL WORK EXPERIENCE

Finance & Tax Intern

May 2023 -June 2024

Volvo Cars Canada, Richmond Hill, ON

- Automated the tracking of 200+ KPIs with Power Pivot, reducing generation time by 90%, influencing key business decisions.
- Led FP&A initiatives by consolidating and analyzing budgets for over 8 departments, monitoring spending trends, identifying variances, and providing actionable insights to optimize financial performance.
- Reduced Finance department workload by automating 30% of reports using Power BI, Excel, and SAP, saving 8 hours weekly.
- Managed over \$60 million in purchase orders and accruals, ensuring financial accuracy and reporting efficiency.
- Prepared monthly reports on vehicle performance, delivering actionable insights for future sales strategies.
- Contributed to closing activities, ensuring accurate budgets, cost of sales, and dealer bonuses for financial transparency.
- Assisted the Tax Manager with audits and handled tax-related payments, ensuring compliance and minimizing financial risks.
- Conducted thorough validation of Scotiabank lease and loaned car invoices, maintaining financial accuracy.
- Collaborated with sales, marketing, and operations teams on ad hoc finance tasks, enhancing team synergy and streamlining cross-departmental processes.
- Contributed to quarterly sustainability reports on utility usage, supporting the company's environmental goals.

Swim Instructor/Lifeguard

2018 -2023

City of Richmond Hill, Richmond Hill, ON

- Wrote comprehensive lesson plans and instructed diverse groups, achieving an 85% pass rate.
- Developed adapted lessons for those with special needs, ensuring an inclusive and safe environment.
- Enhanced communication and teamwork skills in high-pressure situations as a lifeguard.
- Enforced safety procedures and implemented emergency procedures under intense circumstances.

Camp Tamarack, Bracebridge, ON

- Led swim classes and adapted curriculum to outdoor settings, ensuring safety and effective learning.
- Mentored campers while billeting, teaching leadership and problem-solving skills.
- Spearheaded the planning, coordination, and execution of camp-wide activities, ensuring an exceptional experience for all campers.

PERSONAL PROJECTS

Data Modelling Projects

2019-Present

- Developed a predictive analytics model using Power BI and Excel to forecast NHL goal-scoring performance, incorporating regression analysis, data transformation, report automation, and visualization techniques.
- Created a dynamic two-part model with "Player Trend" and "Goal Projection" components, leveraging historical trends and forward-looking projections to analyze player performance.
 - Dynamic Filtering: Enables custom analysis by season, player, and game situation, providing tailored insights and identifying key trends.
 - Regression Model: Adjusts for factors like injuries, experience, ice time, and expected goals (xG), with shot quality and quantity metrics to highlight scoring efficiency.
 - Goal Projection: Incorporates shooting percentage, seasonal adjustments, and weighting for recent performance to produce realistic, context-aware forecasts.
- Designed to support scouting, player development, and strategic planning, providing a comprehensive tool for performance insights and data-driven decision-making.

VOLUNTEER EXPERIENCE

Captain of Alex Lemonade Stand-Run for Cancer

2023

Volvo Cars Canada, Richmond Hill, ON

- Led Volvo Cars in a month-long charity initiative for cancer, raising over \$5,000 to support childhood cancer research.
- Personally, ran over 100 miles and inspired the team to achieve individual goals, including running, walking, cycling and more.
- Organized and coordinated a company-wide walk/run event, promoting participation and fostering a sense of community. Successfully motivated a team of approximately 30 to set and achieve personal fitness goals, enhancing team morale and engagement.
