

HEBUN ISIK, Assistant Superintendent, Highrise

1850 Rathburn Rd E, Mississauga, L4W2X9, Canada, 647-528-6804, hebun.isik.ca@gmail.com

Summary

As a recent graduate in Construction Engineering Technology, I am eager to contribute to the high-rise construction industry by leveraging my knowledge and skills to create innovative and sustainable structures. With a solid foundation in building codes, construction management, and structural analysis, I am committed to positively impacting my team and the organization. I actively seek opportunities for continuous learning and growth in this dynamic field and am enthusiastic about collaborating with a company that shares my vision for the future of high-rise construction.

Work Experience

Mar 2024 - Present	Site Coordinator, Madison Group	Toronto
