Strengths

- Demonstrates a strong commitment to work with exceptional reliability and punctuality.
- Proven self-starter with the ability to work independently and stay motivated to meet objectives.
- Possesses excellent problem-solving skills and the capacity to identify and resolve challenges effectively.

Employment Experience

General Construction Labourer, Operator, Labourer Foreman

- Motivated and hardworking general construction labourer with hands-on experience in performing various tasks, including site preparation, material handling, demolition, and assisting skilled trades. Reliable and safety-conscious with a strong ability to follow instructions and work as part of a team. Seeking to contribute my skills to a dynamic construction team.

Skills

- Site preparation and cleanup
- Material handling and transportation
- Operation of heavy machinery (e.g., skid steer, backhoe)
- Basic carpentry, framing and drywalling
- Caulking trim, windows, silicone bathtubs, showers and vanities
- Experience with painting practices (cutting, taping, sanding, rolling, commercial spray machines)
- Assisting in laying flooring
- Demolition and debris removal
- Familiarity with safety regulations and procedures
- Strong teamwork and communication skills
- Ability to work in various weather conditions

Lawn Care

- Dedicated lawn care professional with extensive experience in landscaping, lawn maintenance and customer service. Skilled in operating various equipment, including mowers, trimmers and blowers. Committed to ensuring the highest quality of service for residential and commercial clients. Looking to bring expertise in lawn care and maintenance to a dynamic team.
