► PROFILE

Results-driven Site Superintendent with over 8 years of experience managing multi-family residential construction projects from ground-up through completion. Proven track record of delivering high-quality multi-home developments on time while ensuring job site safety, efficiency, and strong team collaboration.

► WORK EXPERIENCE

Site Superintendent

Mattamy Homes, Milton, Ontario | 2022 - 2025

I oversaw day-to-day site operations across multiple homes at various stages of construction.

- Supervised the completion of over 300+ homes.
- Achieved net-zero ready air tests throughout 2025 (100 homes)
- Maintained a 90% AVID Homeowner satisfaction rating.
- Hands-on understanding of construction techniques. [e.g. carpentry, drywall, framing or layouts.

Contractor

R2 Construction & Design, GTA | 2017 - 2022

I acted as the central, authorized manager for construction projects, overseeing day-to-day operations from inception to completion.

- Conducted regular site inspections to verify quality workmanship and adhere to safety protocols.
- Secured necessary building permits, licenses and adherence to local building codes and OHSA regulations.
- Strong skills in directing crews, negotiating and updating clients.
- Managed the project closeout, including final inspections, cleaning, and handing over all warranties and documentations.
