WORK HISTORY

BUSINESS OWNER

03/2016 to CURRENT

Modern Masonry & Gardens | Georgetown, Canada

- Strong Business Plan
- Quality Services
- Effective Marketing
- Efficient Operations
- Customer Relationships
- Continuous Improvement
- Sustainability
- Expanded client base by 50% within first two years through word of mouth and exceptional service.

CONSTRUCTION WORKER

08/2014 to 12/2015

Unlimited Building Solutions | Toronto, Ontario

- Conducted maintenance and renovation tasks at Ryerson University, including diverse stonework and structural concrete slab projects. Managed regular repairs encompassing painting, tile fitting, drywall, and masonry, in addition to demolition duties. Collaborated with colleagues to ensure ongoing safety at site. Operated autonomously in high-speed setting, consistently achieving productivity and quality benchmarks.
- Implemented cost-saving measures that reduced operational expenses by 10% first quarter first year without compromising quality.

SUB-CONTRACTOR

08/2013 to 01/2014

Estezo Estates | Toronto, Ontario

- Constructed Insulated Concrete Form homes, additions, and foundations utilizing Amvic System Brand. Excavated ditches and trenches, backfilled excavations, and compacted and leveled earth to meet grade specifications with variety of heavy machinery. Completed interior frameworks using structural rebar beams, masonry, fireplaces, and indoor pools. Installed heated Amdeck ICF Floor Systems. Conducted general cleanup at job site.
- Negotiated favorable contract terms with suppliers, resulting in significant cost savings on materials.
- Worked closely with homeowners to ascertain specifics of project.

LEAD HAND FOREMAN & STONE MASON

03/2009 to 12/2012

Hobson Landscapes | Toronto, Ontario

- Responsible for tasks such as interlocking, grading, sodding, constructing retaining walls, installing water features, and building steps. Expertise includes preparing and laying natural stones, concrete blocks, structural tiles, and masonry units, which involves sizing, facing, and cutting. I am skilled in reading drawings and accurately mapping site area. Additionally, I prioritize polite and courteous communication with customers. I possess in-depth knowledge of specific materials, methods, tools, and equipment necessary to execute various landscaping and construction practices.

LEAD HAND & STONE MASON

05/2006 to 12/2008

Allweather Landscape Co. Ltd. | Toronto, Ontario

- Responsible for construction of both hardscapes and softscapes. Duties include interpreting blueprints, drawings, and specifications to support landscape construction. I have completed customized lawn programs, including turf care, aeration, de-thatching, top dressing, and overseeding. Additionally, I provide tree and shrub care, plant maintenance, and selective pruning.
- Bolstered workplace morale through positive reinforcement techniques, resulting in improved teamwork dynamics.
- Optimized workflows with effective communication among team members,

resulting in higher quality output.

- Operated equipment while observing standard safety procedures.
- Operated drills, paving breakers, and powered abrasive saws to cut or demolish bricks and concrete.
- Mixed mortar to lay bricks, stones and concrete sidewalks.
- Contributed to positive work environment by maintaining open lines of communication, demonstrating respect for fellow team members, and offering assistance when needed.

STONEMASON

03/2002 to 12/2006

Stonehenge Design and Build | Toronto, Ontario

- Constructed rock gardens, decks, fieldstone paths, stone garden walls, fences, ornamental ponds, fountains, and waterfalls. Laid sod, graded soil and gravel. Waterproofed foundations. Excavated materials using skid steers and excavators. Demonstrated accuracy and thoroughness in mortar mixing and concrete mixing ,applications and strengths and weakness in certain applications.
- Increased efficiency in stone placement by utilizing advanced tools and equipment for precision measurements.
- Organized patterns, plans and supplies to efficiently prepare for each job.
- Maintained safe work environment by adhering to industry safety standards and protocols while working with heavy equipment and materials.
- Demonstrated strong attention detail when measuring cutting stones exact specifications guaranteeing seamless fit final installation.
- Operated drills, paving breakers, and powered abrasive saws to cut or demolish bricks and concrete.
