Experience

University of Toronto Seismic Design Team <i>Media Manager and General Construction</i>	Toronto, ON June 2025 - Present
---	------------------------------------

- Managed social media accounts, created poster designs and graphics to promote and showcase competition progress and results.
- Designed competition t-shirt, executive quarter-zip, and patches
- Participated in weekly construction sessions focused on modeling and assembly of mock and competitive towers using balsa wood and assembly tools
- Selected to be on the team at the EERI competition in Portland in July 2026, involving 48 universities across the world.

University of Toronto Skule Fitness Club <i>Lead Social Media Manager</i>	Toronto, ON July 2025 - April 2026
---	---------------------------------------

- Designed promotional material for social media accounts and developed the club's new website
- Coordinate with event collaborators to promote event details and increase club engagement

Engineering Strategies and Practices Project (APS112) <i>Project Manager</i>	Toronto, ON Jan. 2026 - April 2026
--	---------------------------------------

- Accepted into the architecture-themed tutorial section of this course through an application process. This involved engineering and architecture students working together on this project.
- Led a team of six in designing a fire watch tower for a real client, set to be at Silver Peak in Killarney Provincial Park
- Delegated group work evenly, ensuring efficient workflow and consistent quality at each stage of the process
- Applied iterative problem-solving to improve group proficiency and collaboration
- Received high praise on presentation day; client expressed desire to proceed with the project

St. Robert Student Athletic Council <i>Media Coordinator Executive</i>	Thornhill, ON Sept. 2022 - June 2025
--	---

- Created and managed content across all social media platforms to promote council events and foster school athletic engagement
